**CIRCULAR LETTER # 210**

**TO ALL MEMBERS OF THE  
MICHIGAN WORKERS' COMPENSATION PLACEMENT FACILITY  
RE: NEW CLASSIFICATION CODE 9053**

Effective January 1, 2007, the Classification Code 9053 is available for use in the Facility. It will be added to the Basic Manual for Workers' Compensation and Employers' Liability Insurance and the Michigan Workers' Compensation Statistical Plan.

**Classification Code 9053:** Adult Foster Care Facility, Assisted Living Facility and Home for the Aged

The above activities were in Classification Code 9052. Code 9052 is still a valid classification code and it now includes: Hotel, Motel, Dude Ranch or Cabin. Tourist Court has been eliminated from this code definition.

Initially, Codes 9053 and 9052 will have the same rate until such time as they gain enough experience to be credible on their own.

Revised manual pages will be included in our online manuals at [www.caom.com](http://www.caom.com).

Sincerely,

Gary Thompson
