**CIRCULAR LETTER #216 TO ALL PARTICIPANTS IN
THE MICHIGAN WORKERS' COMPENSATION PLACEMENT FACILITY**

**Regarding a Correction to
Assigned Risk Rates and Rating Values for the
Michigan Workers' Compensation Placement Facility - Effective 1/1/2008
Applicable to New and Renewal Policies Only
Issued September 28, 2007**

Dear Member:

Circular Letter #215 – Regarding Assigned Risk Rates and Rating Values for the Michigan Workers' Compensation Placement Facility – Effective 1/1/2008, Applicable to New and Renewal Policies Only contained factor errors for two classification codes.

Class Code 8869 was issued with an ELR of \$0.17 and it should be \$0.21.

All factors for **Class Code 9102** were issued incorrectly. The correct factors are: Rate \$6.26, Minimum Premium \$750.00, ELR \$1.74 and D Ratio \$0.19.

Corrected rate pages are on our website at www.caom.com.

The MWCPF has notified the Office of Financial and Insurance Services with these corrections.

I apologize for any inconvenience this may have caused. Contact me with any questions.

Sincerely,

Gary Thompson
